

FBAR Threshold Check - 2025

Daily threshold: NO

Known maximum combined daily USD value: 2782.474123 on 2025-10-10

Conservative upper-bound maximum: 2782.474123 on 2025-10-10

Answer range: no to no (not-sensitive)

Time alignment: date-only-upper-bound

FinCEN maximum-value view: NO

Aggregate exact account maximums: 2782.474123

Aggregate account maximums, each rounded up then summed: 2783

Sum exact maximums then round: 2783

Over-\$10,000 dates:

None in reviewed records.

Accounts:

- synthetic-demo-account-0042: max USD 2782.474123 (whole dollars 2783; evidence formal-extracted; maximum date 2025-10-10)

Warnings:

- Daily totals are a conservative day-level upper bound because account values are date-aligned, not synchronized intraday observations.
- synthetic-demo-account-0042: Preflight gate unknown-institution: No institution hint was found in early statement text; a graphical logo or filename is not automatic institution evidence, so verify the institution manually.
- synthetic-demo-account-0042: Preflight reviewed handoff accepted gate(s): unknown-institution
- synthetic-demo-account-0042: Preflight: No institution hint was found in early statement text; a graphical logo or filename is not automatic institution evidence, so verify the institution manually.

This is a support summary, not an official FBAR filing and not tax/legal advice.
